

Carroll Consultancy is an Agricultural Consultancy firm based in Co. Mayo working predominantly in the Western Region providing farm advisory, expert witness/agricultural litigation and agronomy services to individual farmers, legal firms, consulting engineering firms and local authorities and advice to agri-businesses in their strategic developments and policies.

We now have a vacancy for an **Agricultural Consultant / Advisor**

Responsibilities will include:

- Assisting our existing and future clients with their farm scheme applications including GLAS and BPS.
- Promote and provide advice on all other farm schemes/farm advisory tasks incl. KT.
- Assist in all other agricultural consultancy activities of the business.
- Contribute to the implementation and management of the specific objectives and strategy of the business.

The successful candidate must meet the following requirements:

- Have a third level qualification in Agricultural Science/Environmental Science.
- Excellent communications skills.
- Ability to work on their own initiative and as a team member in the business.
- Experience may be an advantage but is not essential.
- Current Drivers Licence and own transport.

A competitive remuneration package is available.

Interested candidates should apply with their Curriculum Vitae and a cover letter to:

The Managing Director, Carroll Consultancy, Main Street, Swinford, Co. Mayo
or by email to info@carrollconsultancy.ie

Closing date for applications is Friday 23rd March 2018 at 5pm.
